

INTERNATIONAL RESIDENCY EXECUTIVE EDUCATION PROGRAMMES 2025

By ABS in collaboration with world leading business schools

The **ASIAN BANKING SCHOOL (ABS)** is dedicated to developing talent and is the largest specialised provider of quality banking training programmes in the ASEAN region. As the industry's preferred partner in learning and development, ABS offers customised and open enrolment training programmes that cover a comprehensive list of banking areas developed by its Specialist Training Consultancy Team or in collaboration with strategic learning partners that includes some of the top business schools in the world.

Its sector-leading customised and open enrolment Executive Education programmes help organisations and leaders move forward. These programmes are delivered by senior industry practitioners as well as world-renowned academics from top business schools in the world. They also provide the opportunity for senior executives to share their experiences in a structured and intellectually stimulating environment and to learn from each other. Our Executive Education programmes are designed to be relevant, intensive and challenging, and bring lasting benefits to participants and their organisations.

- The following Executive Education programmes are in the process of being approved by HRD Corp. With this, employers can claim the programme fee from HRD Corp.
- The following Executive Education programmes are STF Credit claimable by qualifying Malaysian banks and would be considered as part of the bank's utilisation of 10% of its STF Credit balances that must at least be allocated for ABS's Executive Education programmes. The bank's STF Credits can be utilised to claim for the programme fee, roundtrip airfare, and accommodation (when not included).

For more information on our Executive Education programmes, visit:

EMERGING BANKING LEADERS PROGRAMME

5TH EDITION

Based in the heart of Edinburgh, this programme will prepare future banking leaders for the ongoing digital changes in the banking industry. Already in its fifth edition, this programme is designed specifically for high potential talent on a fast track to a leadership position from banking and finance-related institutions. The programme will cover topics such as the current digital landscape, regulatory issues in the context of technological innovation, the use of data science in banks, practical issues involving FinTech as well as discussions around how to inspire and enable change in a digital era. Led by academics, practitioners and industry experts, the programme will include case studies, examples from the industry as well as ample opportunities for discussion and application in practice. *The Emerging Banking Leaders Programme* was developed by the Asian Banking School in collaboration with the University of Edinburgh Business School.

GLOBAL BANKING LEADERS PROGRAMME

8TH EDITION

The two-week long international residential *Global Banking Leaders Programme* was developed by the Asian Banking School (ABS) in collaboration with the Bayes Business School (formerly Cass), City, University of London. Already in its eighth edition, the first week of the programme will be held in Kuala Lumpur and the following week in London. The learning is delivered through a mixture of lectures, interactive debates, topical case studies and group-work by a balance of Bayes Business School faculty members and experienced industry experts. This unique programme has been designed for senior level executives from banking and other finance-related institutions and will give invaluable insights into areas that leaders of today must face head on. Participants will become alumni of the Bayes Business School upon completion.
